Office Report – Charlene Monn

We have added an additional program at WIS

Behavior Policy

Several months ago the Commission discussed a possible need for a behavior policy in the WOW programs. It was decided not to implement one at that time and to do some additional research.

Neither the Wilton Y nor the Westport Schools have a formal policy, the question arose whether having such a policy would make us liable?

The goal of this policy would be to spell out the consequences of mis-behavior.

Charlene passed out a draft of the policy for the Commission to review. We will look at it again in January.
